Mr. Ed. Gottlieb,  
509 Market St.,  
Philadelphia, Pa.

Dear Gottlieb:

Due to the fact that Sunday, June 22nd is so near I feel we should do something about the date. I have been over the Blue Book and there are very few Parks available. It may be possible we will have to end up playing in Phila.

Leuschner asked me to wait until Monday to hear from him. It is now Tuesday and I have had no word as yet. Will appreciate hearing from you what you think will be the best thing to do.

I have not received the check from Tom for he and Posey as yet.

Very truly yours,
